Maharaja of Mysore, Revenue Department

SIR,

In forwarding herewith a proposition statement for the revision of the executive subordinate staff of the Mysore City Improvement Trust Board, I have the honour to state that the revision is proposed to suit the Time-scale of Rs $35-\frac{5}{2}-80$ recently sanctioned for the Sub-Overseers of the P W D in Government Order No. 2740-2/Ml.24-21-2 dated the 25th July 1922 The grounds of proposition are set forth in the statement, and the proposed scale which is merely revised to tally with the sanctioned scale in D P W to facilitate interchange and transfers in the interests of Public Services involves no increase, but results in a decrease of Rs. $15\frac{1}{5}$

Grounds of proposition

Out of the 7 Sub-Overseers now working under the Trust Board, 4 are lent from the P W D , and their pay is regulated according to their earnings in the P W D Transfers from the Public Works Department to the Trust Board and Vice-versa have also been taking place frequently.

2 The sanctioned scale of pay of Sub-Overseers in the Trust Board was according to the Old public works Department scale, and is now to be revised according to the present scale of the P.W D. As it has not yet been revised, it has not been found possible to give the subordinates working in the Trust Board, the pay they would have actually drawn, if they had worked in the P.W.D, so much so, that increments of Rs. 5 sanctioned in the P W.D , to each of Sub-Overseers Mr. Kuppaswami Modaliar and Mr. Vajravelu Modaliar from 1st January 1922 and the increment of Rs. 10 to Mr M. Simhadriah from the same date have not yet been granted to them for want of provision in the Trust Board Budget. As the hands lent from the P.W.D are working in the Trust Board for over 15 years and are well acquainted with the details of the Trust Board works, it is neither desirable nor profitable to revert such well experienced hands to the P.W.D., simply because there is no provision in the Trust Board Budget Besides, any scale less than what is prevailing in the P.W.D will not be conducive to efficient working, as trained hands will not come forward to work in the Trust Board on pay less than what they would get elsewhere. 15

3. It is therefore proposed to adopt for the Trust Board, at least the same scale as is sanctioned for the P.W.D recently in Government Order No. 2740-2/M1.24-22-2 dated 25th July 1922 which is fixed at Rs. 35-$\frac{5}{2}$- 80.
